

Nr.	Title	Description of scope of objectives	Committee
3	2030 framework for climate and energy policies	The initiative will frame energy and climate policies beyond 2020 for the period up to 2030 to provide a long-term perspective for investments, achieve a more sustainable, secure and competitive EU energy system and ensure that the EU post 2020 is on track to meet climate and energy objectives.	Committee for Infrastructure, Environment and Spatial Planning
7	Review of competition rules for technology transfer agreements	The aim of the review is to update the current rules that expire in 2014 by promoting licensing of intellectual property rights thus stimulating innovation while safeguarding competition.	Economic Affairs
8	Follow-up towards the post-2015 development framework	This is part of the process that brings together the Millennium Development Goals (MDGs) that expire in 2015 with the Sustainable Development Goals (SDGs) into a single framework for an ambitious post-2015 development agenda. The timing of the Communication will depend on on-going international preparatory discussions.	Foreign Affairs, Defence and Development Cooperation
9	Labour mobility package	The initiative will facilitate the free movement of persons within the EU by means of a better coordination of social security schemes, thus making citizens' rights more effective and contributing to growth and jobs. The package will present recent achievements and include the revision of Regulation 883/2004 and Regulation 987/2009 on social security coordination as well as the initiative on highly mobile workers.	Social Affairs and Employment
10	Communication on job creation in the 'green economy'	The Communication will focus on main actions to support job creation and improve resource efficiency at the workplace as one of the main challenges for Europe's competitiveness. It will focus on key economic sectors and on anticipation and emerging skills development for a more resource efficient economy.	Social Affairs and Employment
16	EU Accession to the ECHR – internal rules	The initiative sets out legal rules which are required to make the forthcoming accession to the European Convention on Human Rights operational internally.	European Affairs
17	EU Maritime Security Strategy	A Joint Communication with the High Representative will set out a coherent strategic framework, combining internal and external security, and building on civilian and military cooperation, complementarities and shared resources, for better addressing major maritime security concerns.	Foreign Affairs, Defence and Development Cooperation
18	Countering violent extremism	Communication suggesting to Member States how to develop new tools to counter or prevent violent forms of extremism. The Communication will draw on recommendations made by the Anti-Radicalisation Network, set up in 2011, and also contain elements for revising the EU Strategy on radicalisation and recruitment.	Immigration and Asylum / Justice and Home Affairs (JHA) Council
20	Future priorities in the areas of justice and home affairs	With the Stockholm Programme coming to an end in 2014 and policies on freedom, security and justice fully integrated into the EU system, the Commission will present a Communication on the future of the EU justice policy and a new European Agenda for home affairs.	Immigration and Asylum / Justice and Home Affairs (JHA) Council
21	European Accessibility Act	The initiative will improve the market of goods and services that are accessible for persons with disabilities and elderly persons, based on a "design for all" approach. This business friendly initiative will include binding measures to promote procurement and harmonisation of accessibility standards. The initiative is currently in a consultation process with industry and stakeholders.	The Interior and the High Councils of State /General Affairs and the Household of H.M. the King
25	Framework for crisis management and resolution for financial institutions other than banks	With a view to enhancing financial stability and in parallel to the framework for the banking sector, the initiative will ensure that non-bank financial institutions can be effectively resolved without causing systemic impact.	Finance

26	OLAF Reform	Following the Communication on improving OLAF's governance and reinforcing procedural safeguards in investigations, further systemic improvements of the OLAF Regulation could be made, inspired by the procedural safeguards in the Commission's proposal on establishment of a European Public Prosecutor's Office but which can be transposed to OLAF's administrative investigations and enacted even before the EPPO is established. This could include strengthening the legal review of investigative measures through the new office of an independent Controller of procedural safeguards, and enhanced procedural safeguards for acts similar to searches and seizures carried out by OLAF in the institutions.	Immigration and Asylum / Justice and Home Affairs (JHA) Council
28	The rule of law in the European Union	The Communication will take forward the reflection on a framework for a consistent response where the rule of law is challenged.	European Affairs and Security & Justice
29	Towards a definitive VAT system	The initiative follows the December 2011 Communication on the future of VAT and aims at giving guidance on how to implement the principle of destination for the taxation of the supplies of goods and services within the EU as the best achievable way forward, abandoning the long-term objective of taxation in the Member State of origin.
