Athens**

The Working Group of the Ad Hoc Review Committee, having convened in the framework of the Inter-Parliamentary Conference for the Common Foreign and Security Policy and the Common Security and Defence Policy on 4-6 September 2013 in Vilnius, examined the proposals to the Rules of Procedure Inter-Parliamentary Conference submitted by the national Parliaments and classified them according to their compliance with the Treaty on European Union (hereinafter referred to as the “Treaty”) and the Presidency Conclusions of the Conference of Speakers of EU Parliaments, adopted in Warsaw on 20-21 April 2012 (hereinafter referred to as the “Warsaw Conclusions”) into the following categories:

Category 1 – proposals compatible with the Treaty and the Warsaw Conclusions.

Category 2 – proposals in contradiction with the Treaty.

Category 3 – proposals in contradiction with the Warsaw Conclusions.

Category 4 – proposals to be further examined.

Further to this categorisation and following a new procedure of tabling amendments by the National Parliaments, the Greek Presidency has elaborated a synthesis text in order to facilitate the work of the seminar and has renamed the 2nd Category as Category 2 – proposals for arrangements not foreseen in the Treaty.

The United Kingdom <i>(The House of Lords and The House of Commons)</i>	Amendments to the Article 1, reasoning and aim of proposal: <i>More generally, we would like to emphasise our belief that the purpose of the AHRC and its recommendations should be to provide suggestion on how the effective functioning of the Conference should be improved. On the latter point, some of the UK delegates to the Dublin meeting were concerned they were not given sufficient opportunity to consider the draft Conclusion. Finally, the AHRC should not look to expand the remit or role of the Conference beyond the principles and framework agreed by Speakers, which were reached after some difficulty at the EU Speakers' Conferences in Warsaw on 20-21 April 2012 and Brussels in 4-5 April 2011.</i>	YES SWE		<u>UK</u> IPC recommendation to Conference of Speakers
