### **amending Protocol 3 to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation**

The Stabilisation and Association Council,

Having regard to the Stabilisation and Association Agreement between the European Communities and its Member States, of the one part, and the Republic of Serbia, of the other part, signed in Luxembourg on 29 April 2008<sup>1</sup>, hereinafter referred to as 'the Agreement', and in particular its Article 44,

Having regard to Protocol 3 to the Agreement concerning the definition of the concept of 'originating products' and methods of administrative cooperation, hereinafter referred to as 'Protocol 3',

Whereas:

- (1) Article 44 of the Agreement refers to Protocol 3 which lays down the rules of origin and provides for cumulation of origin between the EU, Serbia, Turkey and any country or territory participating in the European Union's Stabilisation and Association Process.
- (2) Article 39 of Protocol 3 provides that the Stabilisation and Association Council provided for in Article 121 of the Agreement may decide to amend the provisions of this protocol.
- (3) The regional Convention on pan-Euro-Mediterranean preferential rules of origin<sup>2</sup>, hereafter 'the Convention', aims at replacing the protocols on rules of origin currently in force among the countries of the pan-Euro-Mediterranean area with a single legal act. Serbia and other participants to the Stabilisation and Association Process from the Western Balkans were invited to join the system of pan-European diagonal cumulation of origin in the Thessaloniki agenda, endorsed by the European Council of June 2003. They were invited to join the Convention by a decision of the Euro-Mediterranean Ministerial Conference of October 2007.
- (4) The EU and Serbia signed the Convention on 15 June 2011 and 12 November 2012, respectively.
- (5) The EU and Serbia deposited their instruments of acceptance with the depositary of the Convention on 26 March 2012 and 1 July 2013, respectively. As a consequence,

in application of its Article 10(3), the Convention entered into force in relation to the EU and Serbia on 1 May 2012 and on 1 September 2013, respectively.

- (6) Where the transition towards the Convention is not simultaneous for all Contracting Parties within the cumulation area, it should not lead to any less favourable situation than previously under the Protocol.
- (7) Protocol 3 to the Agreement should therefore be amended so as to make reference to the Convention.
