

Executive summary
Opinion of the Chamber of Deputies on
Proposal for a Council Recommendation on access to social protection for workers
and the self-employed

COM (2018) 132

The Chamber of Deputies, expressing its position of principle for the need to strengthen a favourable climate for a stable business environment and recognising the need to monitor and regulate new forms of work, atypical, recommends, in this context:

- simplification and modernisation of the classification of occupations;
- in-depth analysis of discrepancies between Member States in the field;
- developing transferability;
- monitoring the differentiated impact of the proposed recommendation;
- analysing the increasing administrative burden as a result of the application of the recommendation
