Mr Kristian Vigenin

Dear Colleagues,

Let me express my gratitude to you personally and to your countries for constant and vocal support to Georgia in its European integration processes. This support and encouragement helps us to advance our reform agenda broadly set out in the Association Agreement. Georgia is among the most dedicated and consistent Eastern Partnership countries in pursuing its goal of political association and economic integration with the European Union. We are committed to further consolidate our democracy and pursue policies based on the values and principles we share with Europe. This commitment constitutes a key factor in the development of our relations and guides our activities in the joint parliamentary platforms.

It has been our privilege and honor to be able to participate in COSAC meetings and I hope under your Presidency we are able to advance our cooperation and engagement further. Dialogue and exchange of inter-parliamentary experience strengthen mutual understanding between EU member states and its eastern partners.

With this in mind, I would like to kindly ask you to provide me the opportunity to represent our Committee at the meetings of COSAC - Conference of Parliamentary Committees for Union Affairs. This would be an important sign of support and additional opportunity for me to meet my esteemed colleagues. I am kindly asking you to consider this proposal for the upcoming COSAC Chairperson's Meeting and for the COSAC Plenary Meeting planned during Estonian EU Presidency in 2017.

Wishing you a successful Presidency.

Sincerely,

Tamar KHULORDAVA
Chairperson
