We kindly inform you that at the meeting of the European Affairs Committees of the parliaments of the Visegrad Group countries held on 21 - 23 May 2017 in Bratislava, we conducted discussions on the development of infrastructure in Central and Eastern Europe.

In view of the above, we kindly request you to include into the agenda of the COSAC meeting (26–28 November 2017) the item related to the financing of North-South Axis infrastructure projects from the EU funds not allocated on a national basis within the framework of the Multiannual Financial Framework.

Holding such a discussion at the forum of COSAC would strongly emphasize the importance of this issue.

Yours sincerely,
