Dear Colleague,

Receive my sincere congratulations on the occasion of Luxembourg taking over the Council Presidency and on your chairmanship of the COSAC.

I regret to inform you that due to Croatian Parliament's schedule in the next two weeks European Affairs Committee will not be represented in the COSAC Chairpersons meeting on the deputy level. Since the week starting on 12th of July will be the last week of the parliamentary sitting, my colleagues and I will not be able to participate in any international activities at that time.

I wish you a successful meeting and am looking forward to meeting you later this year on the LIV COSAC.

Sincerely,

Daniel Mondekar
Chairman of the Committee
