As you will know the Commission has recently announced a draft Directive to introduce a Common Consolidated Corporate Tax Base. This is a significant proposal which will raise a number of important issues for Member States, including the subsidiarity principle. I know that the agenda for the next meeting of COSAC has already been issued. However I should be grateful if you would consider adding this matter to the agenda. I, and I am sure colleagues from other Parliaments, would very much wish to see this discussed.
