Angel Tîlvăr

Chair of the Committee of European Affairs

Chamber of Deputies of Romania

Dear Colleagues,

I would like to congratulate you on Romania's first Presidency of the Council of the European Union and wish you successful accomplishment of all your goals. These certainly are important times for shaping the future of the EU as the next European elections are approaching.

Let me also thank you for your constant and strong support to Georgia's European integration that helps us to advance on this challenging path of transformation and development. Romania's support to my country is of particular importance now, during Romania's EU Presidency. In this capacity, your country will be organizing and hosting number of events that are of special significance also to Georgia, the country that has signed the Association Agreement with the EU.

We would highly appreciate being invited to those events that are relevant to our aspirations, common priorities and commitments. Among those are certainly COSAC meetings that the Parliamentary Committee on European Integration of Georgia tries to attend regularly. In order to do so, however, we do need a formal invitation and hereby I would like to ask you to consider our request to attend forthcoming meetings of COSAC in Bucharest.

I look forward to meeting you soon and to further deepening relations between our Parliamentary committees. Let me close by wishing you a Happy and Successful New Year!

Sincerely,

Tamar KHULORDAVA
