

To the attention of Ms Tamar KHULORDAVA
Chair of the Committee on European Integration
Parliament of Georgia

Dear Colleague,

Thank you very much for your letter addressed to the Presidential Troika of COSAC, on the 15th of April 2019, regarding the amendment of the COSAC plenary programme, based on the European Parliament Resolution on Georgian occupied territories, as well as on other two motions adopted by the Lithuanian Parliament and the Irish Senate, respectively.

We greatly appreciate the proposal and we share your opinion that it is an important topic to discuss. The developments in the EU eastern region are of strategic importance, which is why we consider that a strong and steady commitment from all Member States is needed, in order to increase the influence in the region.

The COSAC plenary draft agenda has been debated and adopted by the Parliament of Romania in December 2018, and subsequently approved by the COSAC Chairpersons meeting, in January 2019, since the latter has a preparatory role for the plenary.

Moreover, according to the COSAC Rules of Procedure, the plenary agenda was circulated in due time to all national parliaments and to the European Parliament for observations and amendments; furthermore, the subjects approved underpin the COSAC 31st Biannual Report which is being prepared by the COSAC Secretariat. COSAC, being a framework in which, those who want, can express their points of view, you will definitely find the opportunity to take the floor during the reunion debates and speak on the issues you may like.

Looking forward to seeing you at the meeting of the LXI COSAC, that will take place in Bucharest, on the 23rd-25th of June 2019.

Please accept the expression of our highest consideration.

Yours sincerely,

Yours sincerely,
