**The Senate**

**I.**

**1. Welcomes,**

in general, efforts to achieve a comprehensive approach to the taxation of the digital economy;

**2. Proposes**

- a) to take a reserved position on the proposal N 117/11;
- b) to take a positive approach on the proposal N 118/11;

**3. Stresses**

the need to look for a comprehensive approach at global level and the need for cooperation with relevant international organizations such as the OECD;

**II.**

**1. Requests**

the Government to inform the Senate about the way this resolution was taken into account and about further development of negotiations once the political agreement of the required number of Member States on the main elements of the proposals is reached, or at an earlier time, should the results of negotiations in the Council begin

to depart considerably from the position of the Czech Republic expressed in the General Position of the Government;

**2. Authorises**

the President of the Senate to forward this Resolution to the European Commission.
