

Opinion of the Romanian Chamber of Deputies

on the Amended proposal for a Council Decision on the conclusion of the Common Aviation Area Agreement between the European Union and its Member States, of the one part, and the Republic of Moldova, of the other part

COM(2019) 568

The Chamber of Deputies supports the conclusion of the Agreement, as well as the gradual opening of the market with regard to access to routes and to ensuring reciprocity and fair and non-discriminatory conditions of competition, on the basis of the principles of the European Union treaties, for economic operators. It also supports the alignment of Moldova's aviation legislation with EU legislation in the areas of air traffic safety and management. Last but not least, the Chamber of Deputies supports Romania's further involvement in the efforts of the European Union's neighbourhood policy, so as to ensure a stable framework for cooperation and harmonisation.
